Is NETA the Best Choice For Me?

There are many organizations providing fitness certifications, so how do I know if NETA is the best choice for me?

NETA has been educating fitness professionals for over 40 years, longer than virtually all other certifying bodies in the fitness industry. Our primary certifications are accredited by the NCCA, ensuring that the NETA credentials meet industry standards and are accepted at most fitness facilities.

NETA provides live, hands-on exam preparation workshops presented by our own well-qualified instructors as well as many self-study online options. Our dedicated staff is passionate about fitness and ready to help you throughout a successful career. NETA’s NCCA accredited programs are the most affordable in the fitness industry.

NETA schedules over 1,100 continuing education and specialty certification workshops every year all across the U.S. to support your career, more than any fitness certification company. The workshops are conducted by NETA’s own personable and knowledgeable presenters. In addition, we also offer group discounts and complimentary registrations for facilities that host our workshops. We also offer over 125 home study courses, making it convenient and easy to continue your education and to maintain your professional certification.

“NETA is dialed in. Every time I choose to attend a NETA workshop/certification I am never disappointed. Jon in particular is a bright guy - a super presenter and a gifted educator. I am already putting what I learned into practice and getting results. Thanks NETA!”
— Workshop Attendee Minneapolis, MN

“I believe that the skills offered in Wellness Coaching fill a vacuum in the fitness industry. Activity engaging the mind is of equal, if not greater importance than involving the body. As I continue to review, apply and hone my skills - I become a better listener, trainer and coach. Gosh, I love my job!”
— Workshop Attendee Minneapolis, MN

101 Ways to Bootcamp
Bootcamp classes are challenging, fun, and a fantastic workout! If you are looking for new ideas then this workshop is for you! Refresh your classes with intense, explosive routines designed to melt fat, heighten cardiovascular efficiency and increase strength. The ideas generated in this nonstop, action packed, high energy workshop will push participants to new levels and leave you with new formats, techniques, and ideas to include in your bootcamp classes all year long.

Senior Power
Can and should older adults perform power training? YES! Power training is essential for maintaining activities of daily living and enhance functional capacity in older adults. In this workshop, you’ll learn all the critical aspects of a safe and effective functional power program for older adults, including equipment, technique, moves, and contraindications. POWER up your seniors!

HIIT it with Yoga
High intensity interval training (HIIT) is fun, effective, and challenging for all. Yoga is the practice of poses that combines deep, meditative breathing with slow strengthening movements which is incredibly healthy for your mind, body, and spirit. Fusing these two different formats together is clearly a “win-win” approach for successful cardiovascular exercise improvement and overall performance thus, we have ‘HIIT it with Yoga’.

Cycle 360: Cycle, Strength, & Core
This course adds variety to your everyday indoor cycling class by combining the best of indoor cycling, off-the-bike strength training and core training. The result is a total-body circuit training program that allows participants to experience an amazing aerobic workout while strengthening their upper body and core. Completion of the Indoor Cycling Certificate is highly recommended and heart rate monitors are strongly encouraged.
NEW! Kick It!
Help your participants kick and punch their way to a fun, challenging, and intense workout. This workshop will provide you with the knowledge and skills to teach and demonstrate basic martial arts techniques, create kicking and punching combinations, integrate martial arts-inspired agility and speed drills, and use those moves/combinations to design a high intensity workout for your participants. Credits: 5 NETA, .4 ACE, 5 AFAA

NEW! Trauma Sensitive Yoga Practices
It’s estimated that one-third of participants in a mainstream yoga class have experienced significant trauma. In this workshop, yoga’s effects on the autonomic nervous system will be examined, as well as recommended practices and contraindicated positions. Class and instructor considerations will also be addressed, providing participants with the insight to handle victims of trauma in a mainstream class. *Trauma-Sensitive Yoga Practices is NOT a part of the NETA 200 Hour Yoga Program curriculum, and may only be used for continuing education credits.
