

HOW TO KEEP YOUR NETA SPECIALTY CERTIFICATION CURRENT

NETA's Specialty Certifications (e.g., Yoga, Pilates Reformer, Pilates Mat, Kettlebell, Indoor Cycle, Barre Connect, Senior Fitness) are valid for two years from the date of issue. To renew your certification(s), you must complete ten** (10) continuing education credits (CECs) between the date your certification was issued and the designated expiration. ****Six of the 10 CEC's must be earned directly from NETA workshops or NETA home study courses purchased directly from NETA.** Certificants are provided with a 180-day reinstatement grace period if the certification is allowed to lapse past the designated expiration date; however, a late renewal fee applies (see below). Please note, the official status of your certification is "expired" during this grace period. If your certification is not renewed by the end of the 180-day grace period, then you must retake and pass the specialty certification exam to reinstate your credential.

NETA automatically accepts CECs that are NETA, ACE, NASM, or AFAA approved. ACE CECs and NASM CEUs are preceded by a decimal point such that 0.1 ACE CEC or 0.1 NASM CEU is equivalent to 1.0 NETA CEC. 1.0 AFAA CEC is equivalent to 1.0 NETA CEC. Health- or fitness-related college/university courses for which a grade of "C" or higher was earned and completed within your recertification period will be evaluated on a case-by-case basis for CEC approval by submitting a completed Petition Application, required documentation (e.g., course syllabus college/university transcript), and a \$25 petition fee for each course. All NETA courses provide CECs. If you accumulate more than the required ten (10) CECs, extra credits are not applicable towards a future recertification period.

To ensure you maintain your certification in good standing, please mail your completed Renewal Application, documentation of CECs earned, and renewal fee two months prior to your expiration date. Send all of the renewal information in one packet. Never send forms singularly. If your mailing address has changed, or if you receive duplicate brochures at the same address, please call NETA at 1 (800) 237-6242 to update your customer record.
