# THE BIOMECHANICS METHOD EDUCATIONAL PROGRAMS
# TERMS AND CONDITIONS

**PLEASE CAREFULLY READ** these terms of use and terms and conditions of sale (collectively with any amendments hereto, "TERMS AND CONDITIONS") carefully before placing an order or utilizing The BioMechanics Method courses or materials. By using this web site or any web site of The Biomechanics, and/or placing an order for The Biomechanics LLC products or services from this site or an authorized distribution channel, you agree to be bound by these terms and conditions and any amendments thereto. **IF YOU DO NOT AGREE** to the terms and conditions, please do not use our site(s) or order or use The Biomechanics products or services. By using the Site, placing an order through the Site or that of an authorized distributor, and/or utilizing The BioMechanics Method programs or materials you confirm that you have read, understood, and agree to these Terms and Conditions in their entirety. If you do not agree to these Terms and Conditions in their entirety, you must not order any product or service through or otherwise use the Site, or The BioMechanics Method products or materials. The Terms and Conditions may be changed in the future and without further notice. We therefore recommend that each time you access our website(s) you read these terms and conditions. Your continued use of the Site and/or other products or services of The BioMechanics after any such changes constitutes your acceptance of the new Terms and Conditions. These Terms and Conditions apply to your access to, and use of, the Site, any order you place through any of The BioMechanics Web sites, and to all products and services we supply, produce, distribute, or market.

## RELEASE OF LIABILITY

Enrollment or participation in The BioMechanics Method courses or programs is expressly conditioned on acceptance of the ASSUMPTION OF RISK, RELEASE OF LIABILITY AND INDEMNITY AGREEMENT contained on our website. You may find the details of this Agreement by clicking on the Release of Liability link in the site menu navigation bar located at the bottom of each page of thebiomechanicsmethod.com or by clicking here. **Please read** the information contained in the Assumption of Risk, Release of Liability and Indemnity Agreement carefully as your purchase of The BioMechanics Method courses and programs conveys your acceptance of and agreement to the information contained therein as well as the Terms and Conditions listed below.

## AUTHORIZED USE – INDIVIDUAL USERS ONLY

Individuals who purchase education products, courses, or services from The BioMechanics related to the processes, procedures, information, or protocols contained in The BioMechanics Method are given limited permission to use such information for their own personal use with their own personal clients ONLY provided that they do not delete or change any copyright symbol, trademark or other proprietary notice. They are permitted to utilize the procedures, protocols, exercises, assessment tools and marketing materials as a single trainer or practitioner ONLY. Individuals who purchase The BioMechanics Method courses, materials, or services are not permitted to copy, modify, reproduce, distribute, republish, download, perform, display, post, transmit, sell, re-sell, or make into derivative works in any form or by any means, including, but not limited to, electronic, mechanical, photocopying, recording, or otherwise, the information contained in those courses without the prior written permission of The BioMechanics. Use of our content in any other way infringes our intellectual property rights and is illegal. Federal law provides severe civil and criminal penalties for the unauthorized distribution, reproduction, or use of copyrighted materials. Individual users are not conveyed any right or license by implication, estoppel, or otherwise to use The BioMechanics Method for any commercial exploitation that involves persons other than the original purchaser of the material. Groups, schools, universities, companies, or organizations who wish to purchase multiple copies of The BioMechanics Method products or courses or wish to train more than one individual in our processes, assessment protocols, exercises or methods must contact The BioMechanics to arrange permission to license the materials.

## DISTANCE LEARNING COURSE ENROLLMENT AND ACCESS INFORMATION

The purchase price of The BioMechanics Method Corrective Exercise Specialist (TBMM-CES) course, TBMM-CES Bridging course or Advanced Corrective Exercise Specialist (TBMM-AdCES) course includes all online materials, unlimited free test retakes (if needed), a downloadable certificate (when all applicable course requirements or prerequisites are completed), credential verification, and access to the course itself. Individuals who are enrolled in any version of The BioMechanics Method Corrective Exercise Specialist (TBMM-CES) course, TBMM-CES Bridging course or Advanced Corrective Exercise Specialist (TBMM-AdCES) course, should, but are not required to, complete the course within 12 months of their enrollment date regardless of whether the course(s) was purchased directly through The BioMechanics Method, thebiomechanicsmethod website, or an authorized distributor of The BioMechanics Method course(s).

The purchase price of The BioMechanics Method online course(s), other than The BioMechanics Method Corrective Exercise Specialist (TBMM-CES) course, TBMM-CES Bridging course or Advanced Corrective Exercise Specialist (TBMM-AdCES) course, includes all online materials, unlimited free test retakes (if needed), a downloadable certificate (when all applicable course requirements or prerequisites are completed), and access to the course(s) itself. Individuals who are enrolled in The BioMechanics Method online course(s), other than The BioMechanics Method Corrective

Exercise Specialist (TBMM-CES) course, TBMM-CES Bridging course or Advanced Corrective Exercise Specialist (TBMM-AdCES) course, should, but are not required to, complete the course(s) within 12 months of their enrollment date regardless of whether the course(s) was purchased directly through The BioMechanics Method, thebiomechanicsmethod website, or an authorized distributor of The BioMechanics Method course(s).

Courses from The BioMechanics Method that are approved/eligible for continuing education will have the continuing education approval/eligibility information listed in the product description. Continuing education credits listed for The BioMechanics Method courses in a product description are not guaranteed if the course(s) purchased is not completed within the same calendar year. The authority to accept continuing education credits for completion of a course from The BioMechanics Method is entirely up to the organization awarding the continuing education credits. The BioMechanics LLC is not responsible for decisions regarding continuing education credits made by outside organizations, and you agree that The BioMechanics LLC or its authorized representatives shall not be liable as a result of any errors, changes, or amendments regarding or pertaining to continuing education credits.

The BioMechanics Method online course(s) include unlimited online access. However, if a course(s) is discontinued, no longer offered for sale or and/or no longer supported, then access to the course(s) will expire and no refund will be given. As a courtesy, notifications regarding course discontinuation or expiration may be provided up to six (6) months in advance; however, we cannot guarantee notification delivery. Failure to receive notice does not preserve access to discontinued, expired, or unsupported courses, and lack of notification shall not waive expiration terms. Access periods and fees are subject to change without notice.

The BioMechanics Method courses are hosted by Inspire360. Your use of the Inspire360 website is subject to the terms of that site which can be viewed here.

**DISTANCE LEARNING COURSE REFUND POLICY**
There are **no refunds** for online courses/programs. All sales are final. Individuals who enroll in The BioMechanics Method courses and subsequently decide not to proceed with the course(s) do so with the awareness that they will not be eligible to return the course materials for a refund, even if they have not accessed or viewed them.

**CHANGES TO THE SITE**
The BioMechanics may, in its sole discretion, terminate, change, modify, suspend, make improvements to, or discontinue any aspect of the Site or any products available through or outside of the Site, temporarily or permanently, including the availability of any features of the Site or access to any parts of the Site, at any time without notice to you, and you agree that The BioMechanics shall not be liable as a result of any changes or amendments.

**LINKS TO OTHER SITES**
Any links to third party web sites found on our website(s) are provided solely as a convenience to site users. Use of third party web sites is subject to the privacy policies and terms and conditions of use for those sites. The BioMechanics is not responsible for the content or accuracy of any linked third party sites, nor do they make any representations regarding the content or accuracy of any content or materials on third party web sites. Access or use of linked third party web sites is at the users' own discretion and risk.

**OTHER IMPORTANT INFORMATION**
These Terms and Conditions may be amended or updated from time to time by us without notice to you. In such an event, any updates or amendments will be posted on the Site. The Terms and Conditions displayed on the Web site at the time an order is accepted will apply to the order. These Terms and Conditions supersede any other terms and conditions previously published by us and any other representations or statements made by us to you, whether oral, written, or otherwise. No delay by us in exercising any right or remedy under these Terms and Conditions shall operate as waiver of that right or remedy or shall affect our ability to subsequently exercise that right or remedy. Any exception to the terms outlined herein must be agreed in writing by all parties.

**CUSTOMER SERVICE ASSISTANCE**
If you have any questions, comments, or concerns about your course purchases please contact the customer service department of the organization where you purchased the course. If you have questions about the Terms and Conditions of use, or to inquire about licensing options please contact The BioMechanics. We can be reached at (619) 295-7773. Alternatively, you can send an email to customerservice@thebiomechanicsmethod.com.
